

PPiP COVID-19 Measures

General Measures

- There are foot spraying machines at Gate 1 (Main Gate) and Gate 2 (Dantawan) but for Gate 3 (Car Park).
- Temperature check and hand sanitation are required for all parents, students, staff and visitors before entering the school.
- There are stickers put on shared areas to keep social distancing.
- Everyone entering the school must always wear a face mask (cloth mask is acceptable).
- To limit the number of people in PPiP office, parents are only allowed to get into PPiP building if necessary.
- Students are not allowed to use lifts. In case of a heavy bag, students can leave it with the housekeepers and they will bring it up to every floor for the students.
- Students with flu, fever, cough, sneeze or running nose are not allowed to come to school.
- Teachers or staff who have flu, fever, cough or running nose will have to take a sick leave.
- Temperature check is carried out 3 times a day— Morning, after break, and after lunch break.

Classrooms

- Social distancing
- Personal contact is not allowed
- Classrooms are deep cleaned every evening.
- Fabric toys and resources made from paper are not allowed to use in the classrooms.
- Learning resources are provided in an individual learning pack.
- Acrylic partitions are put in place on students' table in every classroom to keep distance.

Toilets

- For Foundation Stage, toilets will be cleaned every time after students use.
- Toilets on 3rd - 5th floor for Key Stage 1 and 2 will be cleaned every 2 hours.

Canteens

- The housekeepers always wear a face shield, a mask and gloves.
- Lunch and Snack break are only provided in the canteens.
- Everyone must wash their hands before entering the canteen.
- Tables are set for social distancing.
- Markers are placed on the floor to indicate where students should line up for lunch.

Medical Room

- Only 4 students are allowed in the nurse room at the same time.
- Chairs are provided in the meeting room for the waiting area.
- No nasal irrigation service. Only for emergency case.
- There are partitions between beds.
